**Kneesall Book Club 11<sup>th</sup> April**  
 7.30pm The Rajdhaani. We meet the second Thursday of each month to discuss a predetermined book chosen by its members in turn. April's book is *The Travelling Cat Chronicles* by Hiro Arikawa. Anyone who has ever unashamedly loved an animal will read this book with gratitude for its understanding of an emotion that ennobles us as human beings. The uniqueness of this book is its subtle yet persistent charm that insinuates itself into your heart. We meet at 6.00pm to enjoy a fabulous meal together at the Rajdhaani; the book discussion starts at 7.30pm. We are a welcoming and lively group of book lovers keen to discuss our ideas about all aspects of the literary experience. Come along on the night and share your favourite reads.

Dear Friends

Easter is on its way! Shelves brimming with Easter eggs remind us of this fact but when exactly is Easter? Each year the date changes and as the Easter holidays draw to a close, churches around the world will be celebrating this great event which reaches its highest point on Easter Day, Sunday 21<sup>st</sup> April. But what is all the fuss about any way. On Easter Day, churches around the world will be celebrating the Good News that God raised Jesus from the dead, overcoming death and opening up a new way of life including a new relationship with God and each other. This spectacular event also announced God's victory over evil and sin. It is an event which defies reason, which cannot be proved by science, which is beyond human understanding because it is a God event, an example of God stepping into history to bring about phenomenal changes. It is an event which is still being pondered, examined, questioned and believed in over 2000 years later throughout the world. This event could be viewed as the greatest day in history. But the story doesn't stop here, it is not just a past event, because each and every one of us is invited to experience this new way of life and go on experiencing it for all eternity. This new way of life is not just experienced beyond the grave but can be experienced in the here and now because Jesus is alive and active today – working in the world today – working through and in people's lives all around the world - making a difference and changing people's lives for the better. Easter is all about new beginnings and possibilities, hope and forgiveness. Easter Day celebrates all this and because of Easter Day each day of our lives can be a day when each of us can start afresh, have a fresh start and a new beginning; each day is full of potential and can be full of hope. The life that Jesus offers is life in all its fullness; it is our choice whether or not we choose this for ourselves. We are responsible for making the Easter message a lived reality.

As our Easter eggs come and go, may each person in our community come to know and experience the gifts of Easter as a lived reality in your lives - gifts which go on into eternity.

Have a Happy Easter!

Rev Zoe
