## Bill Hemsley Community Centre Notes

**Booking the hall.** Tel: Kevin Gray 07971 547735 or email [KevinGray@SDCTrailers.com](mailto:KevinGray@SDCTrailers.com) before arranging a booking.

**Kneesall & District Women's Institute** is a friendly, welcoming group from Kneesall and its surrounding villages. We usually meet on the 4th Wednesday of each month at 7.30pm in the Bill Hemsley Community Centre to listen to interesting speakers and watch practical demonstrations. We had planned to resume our meetings in September, but unfortunately this coincided with the Government re-imposing restrictions on numbers allowed to meet. We hope to restart meetings again as soon as we are allowed. In the meantime our President, Janet, is happy to give further details about our WI. She can be contacted on 01636 636274 or by email [hind-hillfarm@hotmail.co.uk](mailto:hind-hillfarm@hotmail.co.uk)

**Kneesall Book Club** used to meet the second Thursday of each month to meet at the Rajdhaani for a Face to Face, more than six people, non-bubble meeting... until a few months ago! We have kept going via e mails and continued to read a chosen book and discussion via e mail. We are all desperately missing the spontaneous and delightful discussions the meetings bring. The unique aspects of the book teased out, showing the books less apparent themes brought to life by each member's creative perspective. So, with thoughtful sadness we are drawing Book Club to a temporary break until it is safe to once again meet up face to face at The Rajdhaani. We aim to continue to engage in sharing our love of books, new titles and amazing authors via shorter and lighter e mails, but not following our monthly winning structure. We will re-launch Book Club and hope to attract new members when it is safe to do so. So please consider joining perhaps in the New Year?! You would be made very welcome. Our last book we are reviewing by e mail is the new one by Peter May, A Silent Death. His latest best seller unites a strong, independent Spaniard with a socially inept Scotsman; a senseless vendetta with a sense-deprived victim; and a red-hot Costa Del Sol with an ice-cold killer. We have read this author before; he's been a firm favourite with members. Farewell for now, we will keep the Knatter updated.

## Church Opening - latest news

During September, more of our churches held services for the first time, with a return to the rota for Wellow, Walesby and St Matthew's. Things are not back to normal, but they are getting closer to it! Please do remember to observe all the protocols that are put in church to protect each other. In particular, please remember that, if you are able to, you should wear a mask before, during and after services when inside church. Please do also use the hand sanitisers, keep social distancing 2 metres apart, and remember to leave your details should Track and Trace be needed. We have also been asked by the diocese to remember not to congregate outside church before or after services, which is potentially a breach of the Rule of Six. Of course, not everybody finds all this easy, and we also need to show tolerance and understanding when people struggle with new regulations. Let's show we understand how to love our neighbours, by caring for others, and protecting them, and ourselves, from this awful disease. Rev Alistair Littlewood
